Health and wellbeing

Project Title	UCD Public and Patient Involvement (PPI) Ignite Program
Project synopsis (100 words max) Please give a very short description of the societal challenge, the action taken, and the intended/ achieved result.	The UCD PPI Ignite team are actively embedding PPI in health and social care research, education and training, professional practice and administration across UCD's structures. We are working with people who are seldom heard to develop research, education and support at UCD to include them from the start. We are learning together to make PPI in health and social care research and education meaningful and effective.
University:	University College Dublin
Engaged Research Partners (civic, civil society organisations, Social enterprises, public or professional service or product users, policy makers, members of the public).	SAGE-Support and Advocacy for Older People; Disability Federation of Ireland; Dublin Simon Community; Cystic Fibrosis Ireland; HEAL: Health Education And Libraries, Dublin City Council, Dublin; IPPOSI; Ireland East Hospital Group; Spinal Injuries Ireland; Health Experiences Research Group, University of Oxford; Family Carers Ireland; St Vincent's University Hospital
Engagement (research method or activity) (100 words max)	Co-design and Capacity Building
Project outputs and outcomes: (600 words max) Please describe briefly the target audience and activities that occurred and short terms results. This information could include: <ul style="list-style-type: none"> • who you worked with; • issue to be addressed • what actions you took; • the geographical location; • any shorter-term outcomes or changes in local situation and circumstances, knowledge and skills attitudes or behaviour, policy, practice, organisational development etc, decision-making. 	This project is currently ongoing, with an anticipated end date of November 2020. The planned outputs are: Research: To capture best PPI research practice and transfer them into practice to enable immersion. Capacity and Capability: To support and develop ongoing training and education that builds PPI Capacity both within UCD and externally with our partners. Knowledge Mobilisation and Network Formation: To establish/ provide networks, structures and
